

Siem Reap, Cambodia, **1st March 2017**

Good morning **Benefactors & Friends!**

This newsletter opens with the first term of 2017, and it is dedicated to all those people who have visited us throughout this first term.

THANK YOU for coming closer to us, for wanting to know our work closely, to give us your support, affection and even come with donations that help us fulfil with our 2017 annual budget. Your support helps us to maintain the high levels in the qualities that we offer from our social programs to the children.

*** THANK YOU to the **GRACE Family**, for coming - surrounded by Friends to share with us unforgettable days.

Dick, checking the student's computer skills. The computers were donated more than a year ago.

The dinner barbecue for 60 children and staff, it was a fantastic meeting point, we all enjoyed sharing a beautiful afternoon and evening time,

CHANDEEN in the picture,
prepared with OEB
a delicious barbecue.

even more so if the notes that escaped between the fingers and the violin of **TALLON**, sounded in front of **JAVI School** and also in the visits that we made to our grannies of the Diamond Program. Children, youth, grandmothers, adults, all enraptured with **TALLON** magical notes!!!.

... and there was still more ... **ROGER** came with his cowboy lasso and demonstrated his great ability as if we were in the purest atmosphere, children and not so children, once again were fascinated!

On this occasion, and **THANKS** to **GRACE** Family for the generous donation, we put the blinds to cover the KITCHEN terraces, thus avoiding exposure to extreme heat and / or rain.

This precious gift in skill's exhibitions of TALLON and ROGER in the communities where we collaborate.

*** THANK YOU to CARMEN, OSCAR and ALVARO for their great desire to know us and to live our work closely. Our first meeting, first visit; which we hope will eventuate into many more. We loved going to the market to make your generous donation effective, acquiring hygiene products and food ingredients.

Taking this opportunity to invite all those who wish to come to visit us, and instead of coming charging from the other side of the world, make the purchase in Cambodia, in a local market, in our hands, the products we use In our day to day, adapting each list of the purchase to each budget.
