## **WORKSHOPS & SEMINARS**

We are pleased to share with you all the extracurricular activities that we have been doing during the annual school holidays, linked to workshops and seminars of all kinds. On various occasions they have been developed in our facilities, equipped with the necessary material THANKS to our Benefactors.

Many thanks to all the people that with their preparation, knowledge and desire to share with others, make it possible.

**THANKS - AUKUN**

### **\*\*\* PUBERTY and SEXUALITY**

It is an annual workshop in which some participants start and for others it is a review of what was learned in previous years. It takes two days, divided into groups according to whether it is an initial course or a revision course. It is taught by our NGO and in our academic facilities in Dei Koma (The Children's Land). They learn and review the functioning of the male and female reproductive systems, pregnancy and STD or sexually transmitted diseases. All questions are answered and the sexual organs, their function and maintenance of good sexual health are spoken with full freedom.

With audio-visual material, posters and presentations.

It is compulsory for all adolescents and youth to attend this annual workshop. A total of 21 young people participated.

### \*\*\* SEXUAL ABUSE in BOY

Directed by FIRST STEPS, an organization specialized in issues related to sexual abuse in boys, with duration of one day. Treating aspects as important as beliefs, the topics that say "Children do NOT cry", that cannot be sexually abused because they cannot get pregnant or prioritize virginity as an aspect of purity, these and many more are reasons why that complaints are not carried out, family members prefer not to talk about these issues, the boy feels shame because "that cannot happen to him, sexual abuse is only to girls", entering to states of apathy, depression and fears; In addition to the risk of suffering sexually transmitted diseases, severe physical pain and almost the worst ... a damaged soul.

On behalf of our NGO, 3 young people attended and the Supervisor of the Caretakers team.

### \*\*\* HOW TO TREAT PEOPLE WITH PHYSICAL AND MENTAL DEFICIENCIES

Organized by the Department of Social Affairs of Siem Reap and taught at its facilities, with a duration of two days. Directed to Social Workers and Caregivers. Learning techniques to be able to properly care for people with some type of physical or mental disability, facilitating work and making the patient-caregiver relationship healthier.

On our part, a Social Worker, the Supervisor of Caregivers and a Caregiver participated.

### \*\*\* FIRST AID

Organized by our NGO and directed and taught by one of our most repeated volunteers, JIMMY. It is the second time that this workshop has been held in our facilities by him, being addressed to all employees and young people in the center. Duration 2 days, divided into groups. They learn such vital and basic aspects as what to do when dealing with blows, burns, bloody cuts, home accidents, how to act, what to do, CPB (Cardiopulmonary Breathing), answer questions and at the end of the day with the feeling of what you learned, especially what to don't do to avoid making the situation worse with good intentions.

### \*\*\* HIV

Organized for the second year in our NGO and directed and taught for the first time by the volunteer, MIGUEL ANGEL. An essential workshop for all employees, youth and children. Duration two days, divided into groups by ages. Vital aspects of HIV knowledge are implemented, with scientific rigor and easy access for participants. Protection and prevention for ourselves and others. Action against the virus. After the workshop, the satisfaction of knowing what YES and what NOT to do being free of false beliefs.
